

## 2015 Livestock Reporting Form

***New this year! Report your livestock and pay your per capita fees online.  
Go to [ReportYourLivestock.mt.gov](http://ReportYourLivestock.mt.gov) to get started.***

Montana law requires all livestock owners to report by March 1 of each year the number of livestock owned as of February 1. Livestock includes all poultry and bees, swine three months of age or older and all other livestock nine months of age or older including cattle, sheep, goats, horses, mules, asses, llamas, alpacas, bison, ostriches, rheas, emus and domestic ungulates. Even if you own just one horse and a few chickens or owned and reported livestock last year but no longer do, you still need to report.

The Board of Livestock sets the per capita fee rates annually. The fees are due November 30 and are collected by the Department of Revenue on behalf of the Department of Livestock.

If you prefer to submit a paper reporting form, please provide your contact information below and indicate in the table on the back of this form the number of livestock you owned as of February 1, 2015. Please complete a separate reporting form for each county where your livestock are located. Submit your completed and signed form by March 1 to:

Montana Department of Revenue  
PO Box 8018  
Helena, MT 59604-8018
